We allow ONE person per company. Applications are on a first come first serve basis. Any applications with payments received in duplication will be returned. However, once your application is approved there will be no refunds. Once your business is booked you will not be able to change or bring in products from another company. If you do, you will be asked to leave without a refund. Registration closes once your category is filled or space is sold out.

We can not guarantee the amount of attendees, sales or leads you will receive from this event. We will be heavily advertising, but you will also need to advertise (fliers will be provided).

If you are providing food samples all food must be cooked in advance.

Vendors are expected to stay for the duration of the event. Attendees expect a full house especially when paying an admission fee. Breaking down or leaving early is unacceptable and tacky. If you do this not only will you lose potential business, but you will not be able to return to any events that Women In Networking hold.
